DATA DISTRIBUTION

OpticalCon Routing Box

Rugged, quick, and convenient way to combine or split single- and multi-mode fibre data!

- Virtually no excess loss (<0.5dB)
- OpticalCon connectors throughout with IP65 covers
- Extremely rugged non-conductive enclosure. Won't crack. Crush-proof.
- Recessed receptacles protect connectors from damage
- Designed for entertainment production and staging
- Compact black design conceals easily
- Optional clamp or coupler mounting bracket available

Optional yoke shown with ProBurger half-coupler

Three models available:

- 1x QUAD to/from 2x QUAD
- 1x QUAD to/from 2X DUO
- 2x QUAD to/from 2X QUAD

BUILT FOR THE ROAD!
