TMB Cable and Cable Assemblies – Five Year Limited Warranty

TMB branded products, ProPlex[®], ProCable[™], Dataplex[™], and Starcable[®] professional cable and assemblies (excluding ProPlex Fibre) are warranted against defective materials or workmanship for a period of five (5) years from the date of shipment.

Parts and components that are not the product of the Seller (TMB) shall be subject only to the terms of any warranty that may be extended by the original manufacturer. Seller's warranty shall be restricted to the repair or replacement of any part that proved to be defective and for which a claim is submitted to the Seller before the expiration of the applicable warranty periods.

This warranty shall not apply to any defect arising from accident, misuse or improper or unauthorized adjustment or repair.

Any claim for defective merchandise, imperfect manufacture, shortage in count, or for any other defect known by the Customer to be existing at time of delivery is waived by the Customer unless made in writing within (30) days after delivery.

All warranty parts will be charged to the customer until faulty parts (or product) are returned to TMB for valuation. These parts must be returned within 30 days of receipt or warranty is void and parts/shipping become billable items.

Seller will not assume any responsibility for any labor expended or materials used to replace and/or repair any equipment without Seller's prior written authorization. Any labor charges for repairing or replacing equipment in the field will be negotiated only between the Seller and general contractor. Freight terms on warranty repairs are FOB Seller's warehouse or factory. If warranty parts and/or repairs are required, Seller agrees to pay destination ground freight charges on the aforementioned items leaving the Seller's facility.
