Way Better Than Darkness!

*Daiquiri

Bright RGBW LED PAR with FAST 11- to 58-degree zoom

- Versatile, fast, wide 11° to 58° zoom!
- RGBW behind-the-lens color mixing minimizes shadows
- Double yokes for floor or truss mounting
- Smooth, flicker-free operation
- Includes power cable. Available accessories include a detachable top hat, barndoor, and Wireless Solution™ W-DMX receiver.

The Daiquiri combines superior RGBW color mixing with smart, efficient design. Specially selected high-quality Osram™ LEDs provide deep, saturated colors with balanced whites and the lenses are designed for exceptionally smooth projection.

Guaranteed flicker-free operation makes the Daiquiri ideal for TV, film, theatre, and corporate events. The Daiquiri features a very quick zoom function with a wide range from 11° to 58°.

Daiquiri's unique shape helps keep cables out of sight. Double yokes make mounting to truss or positioning on the floor quick and easy. A rear LCD display provides easy-to-read access to all settings, including four different dimmer curves. Controlled by DMX, the Daiquiri offers extensive color temperature control and a pre-programmed FX engine.

The Daiquiri comes with 5-pin XLR and PowerCon connectors. Available accessories include a detachable top hat, barndoor, and Wireless Solution™ W-DMX receiver.
