Way Better Than Darkness!

## \* Hurricane

### Outdoor RGBW LED PAR

- Unique, versatile wide-format yoke design
- Rugged, "tour proof" construction
- Smooth RGBW color mixing
- IP65-rated for outdoor use
- Silent operation
- Smooth projection
- PowerCon TRUE1 in & out
- Full RDM functionality
- Includes power cable. Available accessories include a detachable top hat, and barndoor.

The Hurricane is the ideal workhorse for a wide variety of applications. The LED fixture features outstanding smooth RGBW color mixing delivered by 14 high-power LEDs with a very punchy 15° beam angle. Specially selected LEDs provide high output with intense colors and an exceptional white balance. IP65 rating makes the Hurricane suitable for both indoor and outdoor use.

The Hurricane features a versatile, wide-format single yoke with both standing and hanging capabilities, and rugged construction makes the Hurricane the perfect solution for touring .

The fixture is equipped with an LCD screen for easy access to the on-board settings and is RDM ready. Silent operation is ensured due to its intelligent cooling system. Data and power can be connected through the IP65 5-pin XLR and PowerCon TRUE1 connectors. Rigging is facilitated by a simple, easy-to-use quick-lock system.

Available accessories include a detachable top hat and barndoor.
